

# TEAM ALIGNMENT OFFER

It must be said that face to face meetings are the most productive form of working and over the last few years have gradually been replaced by days filled with challenging virtual meetings.

If you would like to host a small meeting in beautiful surroundings, the Boardroom at Linden House couldn't be more suitable. With a capacity of up to 8, this room is suited for frequent and more efficient catch up sessions with your team.

We are offering a dry hire fee of £200 for all meetings taking place between 01/01/2024 to the 31/03/2024 for teams up to 8 in the Boardroom.

A food and drink offering can be made available if required.
